VOTES

REF: STATE 163935

(SBU) On December 7, Poloff delivered reftel points to Felix Ulloa, MFA Multilateral Affairs Officer. Poloff and Ulloa discussed the country-specific resolutions, and Ulloa noted that El Salvador voted with the U.S. on each of them during the UNGA Third Committee meeting. Ulloa emphasized that El Salvador planned to be in attendance throughout the plenary and that he would contact the UNGA representatives to convey our concerns.
